## Program Grant Application

### NYBMF Mission Statement

The New York Bicycle Messenger Foundation was established in 2003 as a federal and state not for profit 501(c)(3) corporation. Its mission is to provide aid and financial assistance to bicyclists and pedestrians who are injured on our city streets. This aid may be in the form of either funding for health care and rehabilitation for the injured party or direct financial assistance to those in need of these funds while they recover from their injuries. The NYBMF also provides capital funding for programs that directly involve the messenger community. Along with these primary purposes, the NYBMF strives to unify the bicycle courier community, helping achieve our charitable goals.

Upon acceptance of the grant, the applying group/organization understands and accepts the conditions set forth by the NYBMF:

- A limited number of grants shall be awarded each year.
- Grants may NOT be used for funding political candidates, causes or parties.
- The applicant shall provide a detailed account of the program's expenditures.
- The applicant will use the grant to purchase only items approved in the grant award.
- Applicant agrees to provide a progress report of program. Once the award is received, the applicant will provide a report every three months after receipt of the grant, up until the completion of the program.

### Section I – Group/Organization Information

Group/Org. Name:

Address:

City:

State:

Zip Code:

Contact Name:

Telephone No.:

E-mail Address:

### Section III – Program Funding

Total Program Funding Requested:        \$

Provide a detailed account of the amount and use of the requested funding. Use line item entries to list and describe each component that requires funding and provide the dollar amount requested for that item. If additional space is required, submit this section in its entirety on a separate page.
